These notes apply to all websites of Blue Eagle Technology S.r.l. and its brands, in their various domain extensions and variants, hereinafter “the Sites”.

1. Rights holder

Blue Eagle Technology S.r.l., Via Micanzi 9, 25133 Brescia (BS), VAT number IT 03345770980, REA BS-526344 (hereinafter “Blue Eagle”), holds the rights to the content of the Sites: texts, images, graphics, logos, visual design, downloadable documents and software. The exception is third-party content, identified as such, which belongs to the respective owners.

2. Protection

The content of the Sites is protected:

- by Italian copyright law (Law No. 633 of 22 April 1941);
- by European Union rules and international agreements on the subject.

Trademarks and other distinctive signs are protected by the Civil Code, the Industrial Property Code (Legislative Decree No. 30 of 10 February 2005) and the other applicable national, European and international rules.

3. What you may do

You may browse the Sites, and save to your device and print extracts of the content for exclusively personal and informational use, without modifying them and indicating the source. The free uses provided for by law remain unaffected, such as quoting passages for criticism, discussion or teaching, with an indication of the source (Art. 70 of Law No. 633/1941).

4. What you may not do without written authorisation from Blue Eagle

- Reproduce the Sites or parts of them within other sites (for example by framing), or create links that suggest a relationship with Blue Eagle.

5. Text and data mining and artificial intelligence

Pursuant to Art. 70-quater of Law No. 633/1941 and Art. 4 of Directive (EU) 2019/790, Blue Eagle expressly reserves the use of the content of the Sites for text and data mining, including for the training of artificial intelligence systems. Without written authorisation from Blue Eagle, it is therefore not permitted to extract, collect or copy the content of the Sites in an automated manner for these purposes. The reservation is also expressed in machine-readable form on the Sites. Extraction for scientific research purposes permitted by Art. 70-ter of Law No. 633/1941 remains unaffected.

6. Databases

The collections of content on the Sites, such as the knowledge base at kb.blueeagle.technology, are also protected as databases (Arts. 64-quinquies and 102-bis of Law No. 633/1941; Directive 96/9/EC).
