Original version in Italian: blueeagle.technology/privacy/web/

This notice (Art. 13 GDPR) concerns browsing on the websites of Blue Eagle Technology S.r.l. and its brands listed in section 2. For contact forms, notice BET-GDPR-CF-001 applies; for newsletters, notice BET-GDPR-NL-001 applies.

1. Who processes your data

Data controller: Blue Eagle Technology S.r.l., Via Micanzi 9, 25133 Brescia (BS), VAT number IT 03345770980, REA BS-526344.

Privacy contact: privacy@blueeagle.it

Data Protection Officer (DPO): dpo@eu-gdpr.it

2. Which websites this applies to

Website	Brand
blueeagle.technology	Blue Eagle Technology
kb.blueeagle.technology	Blue Eagle Technology
eagle.network	Eagle Networks
arxdome.com	ARXDOME
newsletter.arxdome.com	ARXDOME
eaglesafe.com	EagleSafe
eaglemercury.com	EagleMercury
7dcloud.com	7dCloud
7dbackup.com	7dBackup

3. What data we process

When you visit the websites, the web server automatically records in its access log, for each page requested:

- IP address;
- date and time of the request;
- page requested, with method and protocol;
- outcome of the request and size of the response;
- referring page (referrer);

- type of browser and operating system (user agent);
- any address forwarded by a proxy.

We do not collect any other data while you browse. This data is necessary for the websites to function.

To recognise returning visitors, every day we calculate from the IP address and the browser a **non-reversible fingerprint**: the IP address cannot be derived from the fingerprint.

4. Why we process it and on what legal basis

- **Operating and protecting the websites** against abuse and cyber attacks — Legitimate interest in ensuring the operation and security of the websites (Art. 6.1.f GDPR) and obligation to adopt appropriate security measures (Art. 32 GDPR).
- **Producing internal visit statistics** (number of visitors and visits, pages viewed, browsing paths, returning visitors), calculated from the server logs, without cookies and without external tools — Legitimate interest in understanding how the websites are used and in improving them (Art. 6.1.f GDPR).

We exclude search engines, automated programs and attack attempts from the statistics. We do not use this data to profile you.

5. Who can see your data

- **Blue Eagle Technology staff** authorised to manage the websites, bound by an obligation of confidentiality. Logs containing the IP address can be read only by the internal service that calculates the statistics; the statistics do not contain IP addresses and can be consulted only by authorised staff.
- **Providers acting as data processors** (Art. 28 GDPR): the websites are hosted on servers in data centres in the European Union, managed by Blue Eagle Technology's technicians.
- **Authorities**, only where required by law.

The data is not disclosed or transferred to third parties.

6. Transfers outside the European Union

Browsing data remains within the European Union: it is not transferred outside the EU.

7. How long we keep the data

Data	Retention
Web server logs of each website (access and error logs)	About 7 days, then deleted.

Data	Retention
Copy of the access logs on Blue Eagle Technology's internal server	365 days with the IP address. After that, the IP address, including any address forwarded by a proxy, is replaced with 0.0.0.0: the log becomes anonymous and is kept for a maximum of 10 years.
Fingerprints used to recognise returning visitors	365 days, then deleted.
Statistics	No expiry: only aggregated daily figures, without IP addresses.
Backups	Daily backup, kept on a rotating basis for 10 days.

8. Cookies and tracking tools

The websites do not use cookies, do not store data in your browser and do not use third-party statistics or tracking tools: statistics are calculated only from our own server logs. For this reason you will not see a cookie banner.

9. Your rights

You may request at any time:

- access to your data (Art. 15);
- rectification (Art. 16);
- erasure (Art. 17);
- restriction of processing (Art. 18);
- to object to processing based on legitimate interest (Art. 21).

To do so, write to privacy@blueeagle.it or to the DPO (dpo@eu-gdpr.it). We will reply within one month, a period that may be extended by two months in complex cases (Art. 12.3 GDPR). You may also lodge a complaint with the Garante per la protezione dei dati personali (Italian Data Protection Authority) (www.garanteprivacy.it) or with the supervisory authority of the EU Member State where you live or work (Art. 77 GDPR).

10. Changes and translations

This notice may be updated. The version in force and any subsequent changes are published at blueeagle.technology/privacy. The text is drafted in Italian: versions in other languages are courtesy translations and, in case of discrepancies, only the Italian version prevails. Date of last update: 01 October 2026.
